BEFORE AFTER

**Cameron's creases disappeared**

"It looks like Cameron Diaz went too far," Las Vegas facial plastic surgeon **Dr. Shoib Myint** tells *In Touch*. "Her whole face looks plastic with very little animation," he explains, adding, "She also probably had too much filler, causing her cheeks to balloon out."

## BOTOX OVERLOAD?

Doctors weigh in on whether these smooth ladies might have had injections

BEFORE AFTER

**Kate's face looks frozen**

Kate Gosselin's shiny forehead and oddly arched brows are a "dead giveaway" she had botched Botox, believes **Dr. Myint**. "It appears she got too much to lift the brow and not enough to smooth all her creases."

BEFORE AFTER

**Super-smooth operator**

Kim Kardashian, who admits to getting Botox, now has glossy, airbrushed skin. Plastic surgeon **Dr. Michael Fiorillo** warns Kim, 29, that getting Botox too soon can decrease its effectiveness later when she might need it.

Dr. Shoib Myint and Dr. Michael Fiorillo have not worked with any of the celebrities in this story.
